Remarks

Rare opportunity in NW Bradenton. Stately Colonial Revival/Southern Brick Estate Home surrounded by majestic Oaks, Pines and Palm Trees. All on almost 3.5 acres! Two front porches with custom wrought iron adornments in and out! Special attention to detail include crown molding, wainscoting, tray embellished ceilings, brass doorknobs & hinges imported from England and many lighting fixtures with imported brass. When you enter the front door through the lovely foyer with imported marble floors and decorative niches. Boasting 5745 sf. Under roof, built in the 70's with great care and intention. Extremely large rooms, Formal Living and separate Formal Dining room that can comfortably fit 12 or more. Massive family room large enough to accommodate a pool table with wood burning fireplace. Also, on the first floor there is an office that could also be a bedroom. The Owners Suite has walk-in closets and ensuite featuring marble counters and vanity spaces. Separate laundry room, that can lend to a craft room. The kitchen faces pool area opening out to patio/porch area. It is adjacent to both family and dining rooms. There is walk-in pantry and butler pantry area that can accommodate tablecloths and entertainment supplies. Many closets and plenty of storage throughout the home. A
